

Declaration of Conformity (DoC)

According to Regulation (EU) 2023/988 on General Product Safety (GPSR)

1. Manufacturer Information

Euryca AS / Thor's Drone World
Industriveien 5, 7072 Heimdal, Norway
Org.nr: NO 91948595
Email: thor@thorsdroneworld.com / support@lifthor.com
Website: www.thorsdroneworld.com / www.lifthor.com

2. Product Group: Utility Mounts for DJI Controllers

Product Name	Model/SKU	Compatibility	Material
LifThor Saga	TKSGA	DJI RC PRO 2	Aluminum
LifThor Brage	TKBGE	DJI RC-N series	Aluminum
LifThor RC Pro	TKSCRCII	DJI RC PRO	Aluminum
LifThor RC PRO PLUS	TKMARPPII	DJI RC PRO PLUS	Aluminum
LifThor Freya	TKMAFYB	DJI RC 2	Aluminum
LifThor Freya COMBO	TKMAFYK	DJI RC 2	Aluminum
LifThor Loki	TKFPV1	DJI FPV	Aluminum
LifThor Mjølner Compact	TKMJLC	DJI Mavic Series	Aluminum

3. Description

The above products are multi-functional aluminum mounting systems designed for use with DJI drone controllers.

They provide:

- Secure and adjustable support for smartphones, tablets, and/or HDMI monitors
- Integrated tripod mounting points for stable ground operation
- Built-in lanyard attachment systems (e.g. StrapThor ACE, AXE) to ensure safe and

ergonomic flight handling

- Optimized balance and comfort during prolonged drone use

All components are made of high-quality CNC-machined aluminum, free of electrical/electronic parts, and coated with non-toxic, halogen-free finishes verified by independent testing (SGS Japan report).

These mounts are designed to reduce user strain, increase controller visibility, and ensure safe handling of equipment.

4. Applicable Regulation

This declaration is issued under the sole responsibility of the manufacturer. The products described above comply with the safety requirements of:

- Regulation (EU) 2023/988 – General Product Safety Regulation (GPSR)
- REACH Regulation (EC) No. 1907/2006 (via coating declaration)
- RoHS Directive 2011/65/EU (Not directly applicable but no restricted substances used)

5. References to Supporting Standards

- EN 10204-3.1 – Material certificate for aluminum
- ASTM B209 – Specification for aluminum alloy sheets
- ISO 9001:2015 – Certified Quality Management System of manufacturer
- SGS test report – Surface treatment verified to be halogen-free
- Dimensional compliance certificate from manufacturer

6. Risk Assessment Summary

A risk assessment has been carried out, and the following hazards were evaluated:

- Mechanical stability and structural integrity
- Edges and contact surfaces (user handling safety)
- Mounting security on compatible DJI controllers
- Surface coating safety (no halogenated compounds detected)

All risks were found to be low and adequately mitigated via design controls and quality checks under ISO 9001-certified processes.

7. Manufacturer Declaration

We hereby declare that the products listed above conform to the applicable requirements and have been manufactured according to recognized quality and safety standards.

Signed on behalf of the manufacturer:
