3. Materials & Technical Details

All cables are passive and manufactured using flexible PVC or TPE outer jackets, copper internal wiring, and corrosion-resistant alloy contacts.

Shielding is applied to minimize signal interference. No active or electronic components are embedded in the cables.

4. Applicable Regulation

This declaration is issued under the sole responsibility of the manufacturer. The products described above comply with:

- Regulation (EU) 2023/988 – General Product Safety Regulation (GPSR)
- RoHS Directive 2011/65/EU
- EMC Directive 2014/30/EU (where relevant for shielding and interference limits)

5. Supporting Standards and Technical Documentation

- CE Test Report (Passive Cable Family: RTC-HDXXX, RTC-USBXXX)
- FCC Compliance Certificate
- RoHS Test Report
- OEM Authorization Letter for tested cable models

6. Manufacturer Declaration

We hereby declare that the products listed above conform to the applicable EU safety and environmental directives and have been manufactured under controlled conditions with relevant third-party testing.

Signed on behalf of the manufacturer:
