2. Product: Monitor Sunhood for DJI RC PRO 2

Product Name	Model / SKU
--------------	-------------

Monitor Sunhood for DJI RC PRO 2	SEPSHP2
----------------------------------	---------

3. Description

This product is a custom-fit monitor sunhood designed for the DJI RC PRO 2 remote controller. It is made from lightweight PLA and d PU-coated synthetic fabric (commonly referred to as vegan leather) and attaches securely to the controller to reduce screen glare and improve visibility in daylight conditions. No electrical or powered components are included.

4. Applicable Regulation

This declaration is issued under the sole responsibility of the manufacturer. The product described above complies with the safety requirements of:

- Regulation (EU) 2023/988 – General Product Safety Regulation (GPSR)
- REACH Regulation (EC) No. 1907/2006 (where applicable to PLA and vegan leather materials)

5. References to Supporting Standards and Tests

- Manufacturer internal quality control inspections
- Certified REACH-compliant textile and PLA material documentation (where applicable)

6. Manufacturer Declaration

We hereby declare that the product listed above conforms to the applicable requirements and has been manufactured according to recognized quality and safety standards.

Signed on behalf of the manufacturer:
